

THE POWER OF WOMEN

AN ATLAS OF BEAUTY BOOK

MIHAELA NOROC

LONDON, UNITED KINGDOM *(Left)*

Gemma Whyatt was born with a rare skin condition known as congenital melanocytic nevus (CMN). Her journey to self-acceptance was long, yet the destination was incredibly rewarding. Today, besides being a doctor, Gemma champions self-love and raises positive awareness of CMN.

MILAN, ITALY *(Right)*

Besides running a prestigious design studio, Elena Pelosi is also in love with ceramics. Her pieces are always crafted to be functional while telling a powerful story. Elena often travels to different parts of the world to gather various raw materials and study different styles of craftsmanship across diverse cultures.
